

# Smart Home

CSE316 Project Proposal

**1805046** - Al Amru Bil Maruf

**1805047** - A.K.M. Ashfaqur Rahman

**1805052** - Hasan Masum

**1805057** - Md. Jehadul Karim

# FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

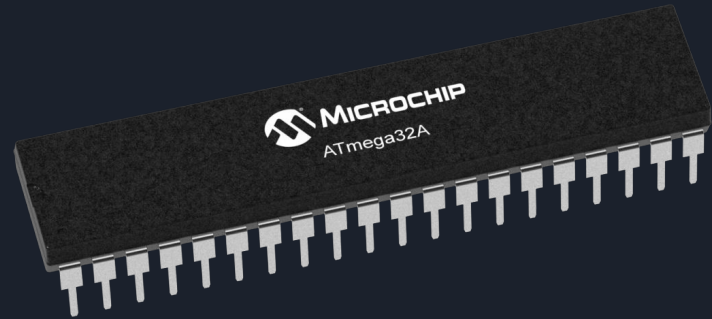

Fire & Gas Leak Alert

Theft Protection & Alert

Smartphone Connectivity

# Microcontroller

ATMega32a

Arduino Uno\*

\*We wish to minimize our microcontroller use.  
If ATMega32a appears enough, we will refrain  
from using Arduino Uno

## FEATURES

### Sensor-controlled Switches

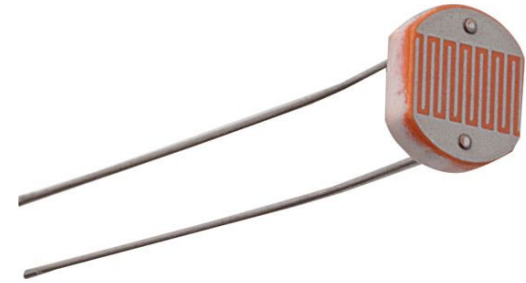

Temperature & Humidity Measurement

Automated Door Control

Fire & Gas Leak Alert

Theft Protection & Alert

Smartphone Connectivity

**LDR 5mm**

## FEATURES

### **Sensor-controlled Switches**

Temperature & Humidity Measurement

### **Automated Door Control**

Fire & Gas Leak Alert

### **Theft Protection & Alert**

Smartphone Connectivity

**Sonar Sensor (HC-SR04)**

## FEATURES

Sensor-controlled Switches

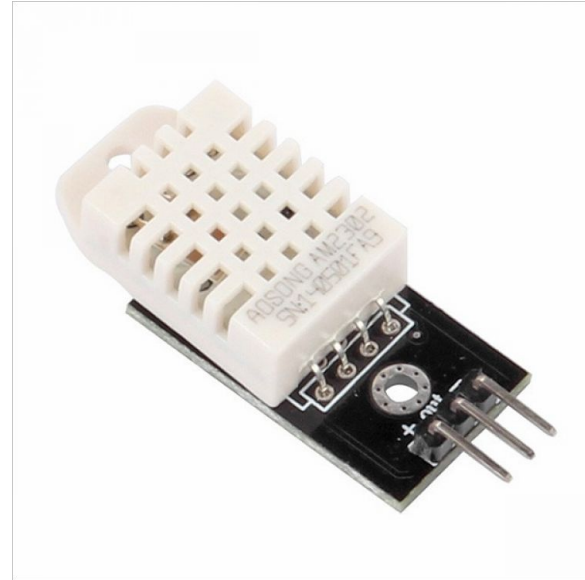

**Temperature & Humidity Measurement**

Automated Door Control

Fire & Gas Leak Alert

Theft Protection & Alert

Smartphone Connectivity

**DHT22 Digital Temperature  
Humidity Sensor**

## FEATURES

Sensor-controlled Switches

### **Temperature & Humidity Measurement**

Automated Door Control

Fire & Gas Leak Alert

Theft Protection & Alert

Smartphone Connectivity

**LCD Display 16X2**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

**Automated Door Control**

Fire & Gas Leak Alert

Theft Protection & Alert

Smartphone Connectivity

**Servo Motor SG91R**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

**Fire & Gas Leak Alert**

Theft Protection & Alert

Smartphone Connectivity

**Smoke Sensor (MQ-6)**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

**Fire & Gas Leak Alert**

Theft Protection & Alert

Smartphone Connectivity

**Gas Sensor Module (MQ-5)**

## FEATURES

Sensor-controlled Switches

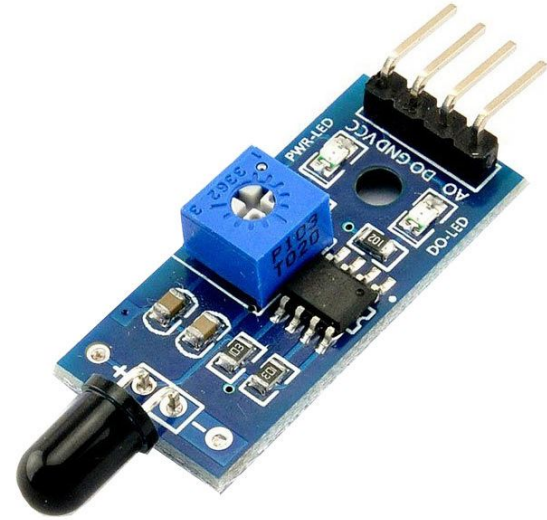

Temperature & Humidity Measurement

Automated Door Control

**Fire & Gas Leak Alert**

Theft Protection & Alert

Smartphone Connectivity

**Flame Sensor**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

**Fire & Gas Leak Alert**

**Theft Protection & Alert**

Smartphone Connectivity

**Buzzer**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

**Fire & Gas Leak Alert**

**Theft Protection & Alert**

Smartphone Connectivity

**SIM900 GSM GPRS Shield**

## FEATURES

Sensor-controlled Switches

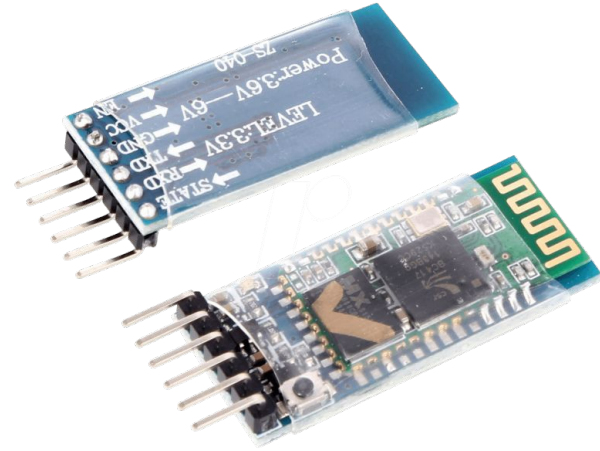

Temperature & Humidity Measurement

Automated Door Control

Fire & Gas Leak Alert

**Theft Protection & Alert**

**Smartphone Connectivity**

**Arduino Bluetooth Module  
(HC-05)**

## FEATURES

Sensor-controlled Switches

Temperature & Humidity Measurement

Automated Door Control

Fire & Gas Leak Alert

Theft Protection & Alert

**Smartphone Connectivity**

**Android App**

Thank you!
